SOS Sahel Sudan – North Darfur Office
expresses its sincere appreciation and gratitude to

Mr.

Maaz Yagoub Abdalrhman Yagoub

In recognition of the outstanding efforts and sincere dedication in humanitarian volunteer work during the implementation of the **"Integrated Response Project"** in Al Fasher and Dar As Salam Localities, funded by CAFOD.

During the period from **1 August 2025 to 26 August 2025.**

The volunteer actively contributed to supporting emergency interventions in Water, Sanitation, and Hygiene (WASH), vector control campaigns, and cash assistance distribution to displaced families in shelter centers, which had the greatest impact in alleviating suffering and promoting social solidarity under the harsh conditions of siege and deteriorating humanitarian circumstances.

We wish him continued success in his humanitarian and professional journey.
